

Local 1006A Stewards

Hello Stewards,

This package contains the latest information and posters from your local union.

I hope you take a moment to review the materials and update the union board in your workplace. ***Please removed outdated items.***

Enclosed In This Package:

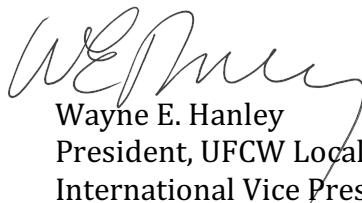

March issue of the *1006Activist* newsletter
Int'l Day for the Elimination of Racial Discrimination – March 21
Refugee Rights Day Poster – April 4
Return to Work Information Poster
WebCampus Course List for March / April

We've also included a couple of *End Pension Theft* postcards. When large corporations fail, Canada's inadequate bankruptcy laws allow money to go to wealthy CEO's banks and investors instead of employees' pension plans. Please fill one out and ask a co-worker to do the same. Simply drop it into any Canada Post mailbox – no postage is required.

Also, a quick reminder that stewards training registration deadline is March 12, 2018. If you haven't already, I encourage you to register online at www.surveymonkey.com/r/UFCW2018

NOTICE

Returning to Work After an Injury? Your Union can Help!

WSIB Return to Work meetings and Work Transition meetings can be complex and overwhelming.

Workers do have the right to Union representation at these meetings.

Remember the WSIB specialist or the employer is not required to notify the Union if a meeting is scheduled.

If you are contacted by the WSIB to attend a Return to Work or Work Transition meeting and would like Union representation, please immediately contact your Union Representative (www.ufcw1006a.ca/unionrep) or our Health and Safety Department (ryoung@ufcw1006a.ca). We will ensure that you have representation to help you with this process.
