

General Membership Meeting *Format Change*

We will be hosting our general meetings in the telephone town hall format to ensure greater member access.

This format is designed to be more convenient for members and will empower more people to participate. Members will have the opportunity to hear about initiatives of the local union and ask questions.

On each meeting date, the local union will call members home and/or cell phone numbers that we have on record to connect them to the call. An invite call will go out a couple of days in advance of the meeting.

Our call will come from “UFCW Your Union” 1.800.637.5936. – simply pick up to participate.

Our first General Meeting telephone town hall will take place on February 28, 2019 at 7 p.m.
