

Hello Stewards

Greetings,

At our 2024 Stewards' Conference, we introduced our Public Abuse Reporting Initiative. It will allow your union to better understand the scope of the issue, and give us the power to address it and support our members.

Although not all our members work in public facing jobs, the reality is public abuse from customers, passengers and guests is a serious problem for members working on the frontlines. The abuse must stop. All workers deserve to be treated with respect and dignity. Please post the enclosed poster prominently, and encourage members to submit a report if they experience abuse.

Our next **General Membership Meeting Telephone Town Hall** is scheduled for **Wednesday, November 20 at 7pm**. Once again, we will be holding our contest that awards a tablet computer or Maple Leafs tickets to a lucky member!

Please take a moment to remove any outdated posters and update your union board with the items enclosed.

In This Package:

- Telephone Town Hall General Membership Meeting Notice – November 20
- Report Public Abuse Poster
- Stop Gender-Based Violence Poster

Thank you for posting these updates to ensure members are informed. Don't hesitate to reach out to your union representative with any questions or concerns.

In Solidarity,

Wayne E. Hanley (he/him)
President, UFCW Local 1006A
International Vice President
