

## Hello Stewards

Greetings,

Spring 2026 **Stewards' Training registration is now open** – you should have received an email with the registration link and your transcript details. If you haven't registered to take a course yet, I encourage you to do so. Training is a great way to learn new skills and meet other union activists from across the province. **The deadline to register is February 13.** All program details are outlined on the registration form: [ufcw1006a.typeform.com/ST-Spring26](https://ufcw1006a.typeform.com/ST-Spring26)

This February, Local 1006A will be observing Black History Month to affirm our commitment to raising awareness about the Black Canadian community's struggle for equality and justice. We will also celebrate the contributions Black Canadians have made to our labour movement and country. Visit our website and social media for details.

A date is set for our annual **Stewards' Conference** – mark **Saturday, September 19** in your calendar. Registration will open in June for our annual event that celebrates the important work you and stewards from across Ontario do to support 1006A members.

Our next **General Membership Meeting Telephone Town Hall** is scheduled for **Thursday, February 19 at 7pm**. Once again, we will be holding our contest that awards a tablet computer to a lucky member.

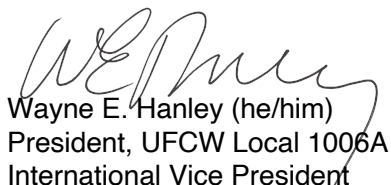

Please take a moment to remove any outdated posters and update your union board with the items enclosed.

February 28

# International RSI Awareness Day

Repetitive Strain Injuries (RSIs) occur when repeated movement, especially prevalent in the workplace, causes stress and eventually damage to a joint, ligament, muscle, or other body part. RSI Awareness Day was created to bring focus to this issue, and is recognized on the last day of February each year.
